

Stewarton Heather Curling Club Club Members Since 1845

This list of members was compiled from the minute book by Robert Whiteford. Up until 1970, the names are taken as and when they appear in the minute book, therefore, it is not expected to contain all the members of the club. If for some reason they did not attend the Annual General Meeting, or they were not listed as team players then their names may not have been recorded. From 1970 onwards, all new members are listed in the AGM minutes.
